obode	Matrix SQGR15	composite
Fitting type: Undermount or Inset	Sink handing: Not handed Finish style	: Grey metallic granite
Min. base unit (mm): 500	Durable matt finish granite composite con	nstruction throughout
• Packaged size L x W x D: 570 x 580 x 280mm	Softened square edges for a sharp but each	
• Supplied boxed or sleeved: Boxed	 Smooth lined luxury Orbit waste supplied Can be fitted as undermount or inset 	as standard
• Boxed weight: 12.04 kg	Compact sink designed to complement s	smaller kitchens
• Sink only weight: 8.46 kg		
Included parts: 1 x AX1002 (m) 90mm (1.5") Orbit manual basket strainer waste - long bolt Round overflow pip		1 x AX4017 (m) nsert Fitting & care instructions & data sheet - SQGR15 (inset and undermount)
1 x AX1011 Tap stabilising bracket		
		All accessories can be purchased directly from www.abode-shop.co.uk or phone 01226 283434
Materials & workmanship warranty summary: Care • Sink materials & workmanship 10 years. • • Waste kits 1 year. • • Connecting pipework 1 year. •	• Instructions summary: Clean the products regularly using soapy water and a non-abrasive cloth, regular cleaning will prevent the build-up of lime scale and dirt. Avoid contact with corrosive or abrasive substances. After cleaning rinse thoroughly with clean water then dry. For more detail see supplied booklet or www.abodedesigns.co.uk	

Product dimensions and installation information: note: 😢 symbol indicates position of acoustic pad on stainless products.

*Important, fabricator / installer notes for undermount & Flushmount sinks:

The cut out size indicated is aligned with outside edge of the bowl top radius (similar to the example below).

You should confirm with your client if the worksurface cutout is to be cut flush, inside or outside this suggested perimeter shape & size.

If you create the cutout smaller or larger than the indicated size then the fit of the accessories may be affected and should be physically checked.

General:

All details are provided in good faith but do not include the tolerances of the material or manufacturing process.

We request that a test cutout is made in scrap timber and checked against the actual sink to be installed before committing to cutting the final worksurface.

Abode can not accept liability for problems or costs incurred by failure to follow this request.

Note: the dimensions on ceramic fireclay products are subject to wider tolerances due to the nature of this natural material and the firing process.

> CAD cutout files can be downloaded from www.abodedesigns.co.uk

Aditional notes: Repeated release of boiling hot water directly into coloured sinks can in extreme cases cause crazing and even cracking. Therefore we recommend great care is taken not to release the water directly on to the sink surface at full temperature.
