Brassware

Our attractive new brassware range isn't just designed for ease of use and installation — it's designed for a lifetime of satisfaction. That's why it comes with a lifetime guarantee*, giving you timeless style and total peace of mind.

Environmentally sound:

- Flow limiters included as standard with basin taps
- All ranges approved by WRAS
- Basin mixers hold the Water Label

Easy to install:

- Suitable for all systems
- Flexi-hoses and clicker wastes on all mono basin mixers

Easy to operate:

- Range includes lever handles for those with limited dexterity

TMV2 and TMV3 approved when used with new AKW blending valves

*Exclusions apply

AKW Denova Range

AKW Denova combines great looks with great value. With clear hot and cold markings and a stylish, practical design, AKW Denova is the perfect expression of AKW's commitment to both form and function.
