

## Product Overview

AKW shower niches are one-piece shelving solutions designed to be recessed into the wall to create a modern and discrete storage space for all your bathing and showering essentials.

Available in three sizes to suit your installation and spatial requirements, AKW shower niches are quick to install and perfect for use alongside our range of stylish wall panels or bathroom tiles.

## Features & Benefits

- + Recess niches into the wall alongside wall panels or tiles for a discrete, integrated finish.
- + Lightweight, one-piece construction for quick and easy installation.
- + Manufactured from SMC for durability and strength.
- + Available in white (all size options) with a glossy finish, or black (full-height option only) with a matt finish, for a bold contemporary look.
- + Double and triple shelf, and full height niche options available to suit a variety of user and installation requirements.
- + Shelves feature 1–2° angled slope which prevents water from collecting and makes it easy to clean.
