

Closomat Palma Vita & Palma Life™

Product Overview

The Closomat Palma Vita wash and dry shower toilet provides flushing, washing & warm air drying from one simple operation.

It is user friendly for people who have restricted use of their hands. By reducing hand contact, it also provides improved hygiene for all users.

Features & Benefits

- + Unique 'hands free' system operates the Palma Vita's flushing, warm water washing & warm air drying functions by just pressing & releasing the elbow pad
- + Now with an aesthetically pleasing design including telescopic skirt to cover plinth and a continuous bowl cover
- + Simultaneous flushing & washing feature improves personal hygiene as it cleans with water not paper
- + Can be used at all times as a conventional WC
- + Combines a WC & bidet with the addition of drying air
- + User-friendly system guarantees the most hygienic toilet performance
- + UK made in a dedicated factory
- + Customised to suit individual needs
- + Installation & service support available

How it works

Flushing

Press either elbow pad when standing for conventional flush.

Washing

Press either elbow pad when seated & hold for approximately 10-15 seconds, while flushing & warm water will start.

Drying

Warm air drying automatically follows when elbow pad is released.

CLOSOMAT PALMA LIFE™

- + A closomat toilet with 10 years fully comprehensive, hassle free maintenance cover for one simple price
- + Palma Life™ has been developed as a result of feedback from the healthcare marketplace
- + Palma Life™ meets the pressures faced by Local Authorities & Housing Associations when it comes to funding & as such the Palma Life™ helps to ease the burden
- + Put simply, when a Palma Life™ wash & dry shower toilet is purchased your client is receiving a top quality product with a decade of peace of mind
