

Level Best Deflector Screen

Level Best Screens - Level Best Deflector Screen

Product Overview

Level Best is a fixed glass screen designed with a pivoting deflector panel. This type of solution does not span the entire distance of the shower area but it is long enough to provide water deflection.

Features

- + Bright silver chrome finish aluminium frame
- + 6mm toughened glass tested to EN12150
- + Screens tested EN 14428
- + 20mm compensator adjustment on wall fixing
- + Deflector Screen with Rising Butt Hinge
- + The panel rotates 250° and locks at 55° and 305° from the fixed panel
- + Stay clear coating on both sides

Benefits

- + Rising butt hinge for the deflector panel allowing an easy manipulation
- + The advantages of 6mm glass over 8mm or thicker glass are: lighter weight panel making it easier for the user to open – important feature for the care market – plus it puts less stress on the door hinges, which is important for long-term performance
- + Easy installation
- + Compatible with wet floors and vinyl flooring

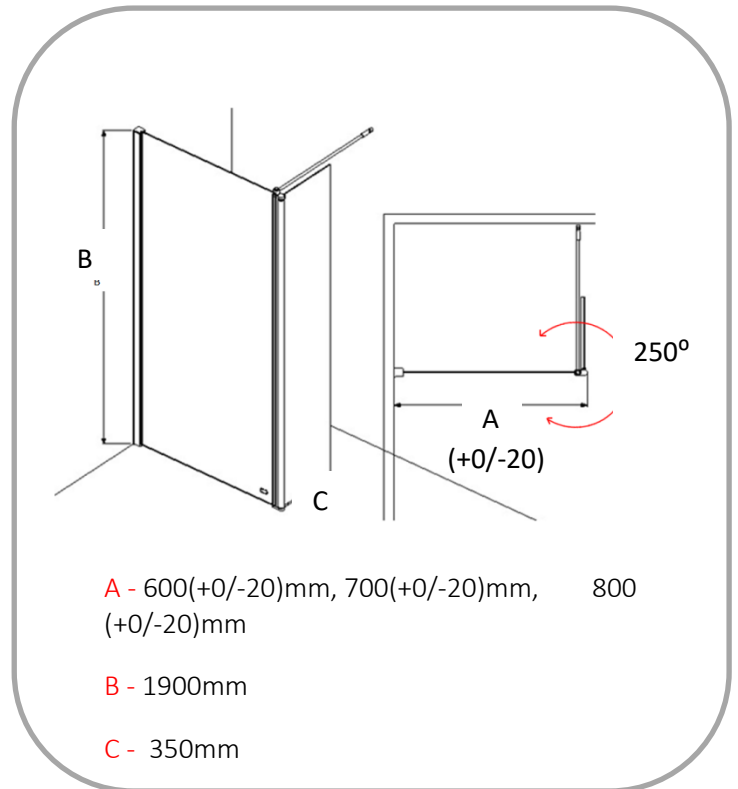

Product Specification

- + Hinge attached to the fixed panel
- + Corner block to suit Vinyl flooring round corner
- + 1 fixed panel and 1 moving panel
- + Non handed
- + Screen height : 1900mm
- + Fixed panel widths are: 600(+0/-20)mm, 700(+0/-20)mm, 800(+0/-20)mm, 900(+0/-20)mm, 1000(+0/-20)mm
- + Deflector panel widths is: 350mm

Materials of construction:

- + Glass
- + Aluminium
