

Product Overview:

Larenco® track free bi-folding door with a 180° bi-folding hinge, featuring AKW's super lightweight, super tough 6mm glass

Features:

- Full and half height options available
- Modern partially framed design
- Suitable for installation onto tray, tiled or vinyl flooring
- Trimmable corner block provided
- Bright silver chrome finish aluminium frame
- 20mm profile adjustment on each side
- 5 sizes available from 760mm- 1200mm
- No top or bottom track
- Modular system compatible with fixed side and inline panels

Benefits:

- Half height door option design suits environments where carer assistance is required
- Strong corner magnetic seals aid water retention
- AKW's Stay Clear coating on the glass ensures it is easy to clean and remains cleaner for longer
- Can be fitted in most installations, tray, vinyl or tiles to achieve an entry suited to the individual
- Elegant chrome easy grab handles provide the finishing touch and make it safe and easy to use
- Bi-fold makes screen ideal for smaller bathrooms
- No track allows doors to completely fold back providing clear access and easier cleaning
- 6mm glass keeps door lightweight and easy to operate

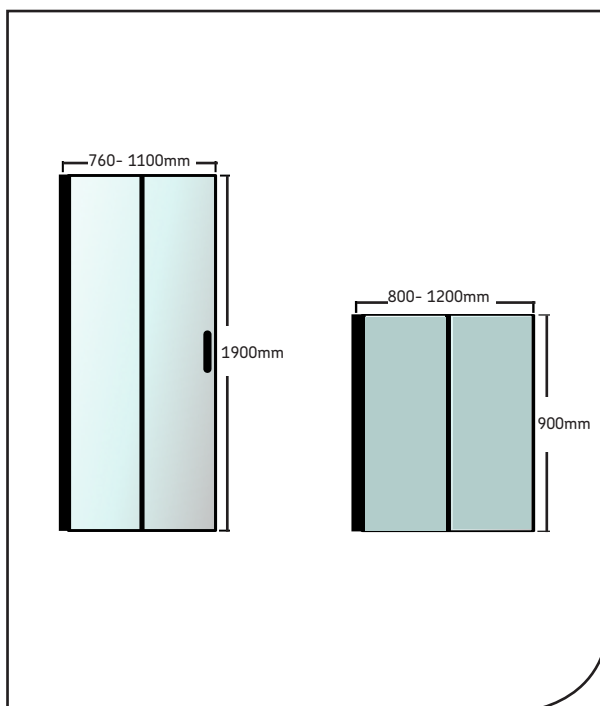

Guarantee: • Lifetime guarantee*

Product Specification:
