

Product Overview

Grey shower curtain rail with a contemporary finish which can be installed independently or effortlessly paired with our range of AKW Larenco Half-Height Care Shower Screens. All rails can be shaped to suit your installation with several sizes designed to meet a variety of user needs and space requirements.

Features & Benefits

- + Curtain rail can be cut to length, offering flexibility to suit installation requirements
- + Kit includes rail, fixing kit and drop rods for a complete installation
- + Powder coating increases longevity – rail will not crack when bent to form L-shaped rails
- + Stylish glossy grey finish to complement Larenco care screen range
