

## Product Overview

From our Navlin collection of stylish sanitaryware comes a selection of wash basins with one or two tap holes, and a choice of semi or full-height pedestals.

AKW Navlin and Navlin Doc M sanitaryware ranges have been designed with compatibility in mind, allowing you to create a contemporary bathroom that expertly caters to a variety of needs.

## Features & Benefits

### Wash Basins

- + Available in three widths: 450mm, 500mm & 550mm
- + Contemporary yet functional design, with a level, easy-clean tap deck
- + Rounded edges and corners reduce the risk of injury in the event of a trip or fall
- + Choice of one or two tap holes, allowing for the use of basin or mixer taps
- + One tap hole basins allow for the use of either a clicker waste or a plug and chain waste plus anchor point option, both of which are available separately
- + Two tap hole basins feature a chain stay hole, with plug and chain waste available separately
- + Supplied with fixing kit as standard
- + For additional support, a wash basin bracket is available separately

### Pedestals

- + Choice of semi or full pedestal which perfectly complement the Navlin range of wash basins
- + Ultra-stylish semi pedestal design gives the illusion of greater space and allows for much easier cleaning, whilst also providing closer access for seated or wheelchair users

navlin

- + Fixing kit supplied with semi pedestal to provide ease of installation
- + Full pedestal design provides a more traditional aesthetic, offers greater stability, and cleverly conceals plumbing
- + Pedestal, waste and taps supplied separately
- + Components individually packaged in recyclable materials to prevent damage in transit

## Guarantee & Approvals

- + Lifetime warranty
- + BS EN 14688
