Cleaning and maintenance of your tray

To prevent damage from either the use or cleaning of your tray, we recommend following the cleaning recommendations. Our guarantee excludes damage due to improper use maintenance or cleaning.

Daily maintenance

- Clean regularly with a clean sponge or a damp cloth followed by a soft dry cloth.
- Occasionally use a non-abrasive cleaner to remove stubborn stains and buff with car polish annually to give a perfect finish.
- In hardwater areas, limescale will mark the surface of the tray. To prevent this use a good quality water softener

Please note

- Do not use stiff brushes or abrasive cleaners as, these will damage the surface of the tray.
- The use of rubber mats may cause a reaction with the surface of the tray any such reaction is excluded in the warranty.
- Some hair dyes may mark the surface of the tray if not fully washed away.

Warranty

- Aqualux offers a up to 25 year warranty from the date of purchase on the tray.
- We recommend professional installation and always follow the instructions in the manual during installation and maintenance.
- The warranty only applies to demonstrable material irregularities and manufacturing errors, insofar as these can be attributed to the product.
