About Us

Aqualux was established in 1979 specialising in global sourcing and supply of shower enclosures and bath screens designed in the UK, offering supply solutions from direct import, business to business and direct to consumer.

Aqualux has a full range of products designed for all your showering needs.

From stylish frameless or functional fully framed shower enclosures, contemporary walk in shower panels, with easy fit options, to affordable bath screens in various styles and finishes, complemented by a wide range of shower trays and bathroom accessories to match all bathroom styles.

Available through DIY stores, plumbers merchants, online outlets or local bathroom retailers with fast and efficient delivery to your chosen retailer or as an optional delivery direct to your door, all serviced from our distribution centre in Hinckley, Leicestershire.

We have the product and availability to suit all styles, budgets and tastes from a tried and trusted brand with over 40 years heritage and experience.
