Shanks

### General information

|                           |                     |
|---------------------------|---------------------|
| Product type:             | Washbasin mixers    |
| Sub product type:         | Basin mixer         |
| Brand:                    | Armitage Shanks     |
| Suite name:               | MARKWIK 21+ SAFE SQ |
| Designer:                 | Ideal Standard      |
| Colour:                   | AA - Chrome         |
| Surface finish effect:    | glossy              |
| Height (mm):              | 186                 |
| Width (mm):               | 136                 |
| Length / Projection (mm): | 148                 |
| Fixing method:            | Shank fixation      |
| Net weight (kg):          | 2.53                |
| EAN code:                 | 4015413340113       |

Minimum 0.6 bar pressure, regulated flow to a maximum of 8 litres per minute. During demounting, integral safety valves will shut off water as a fail safe in case incoming water supplies have not been isolated. Integral isolating valves, strainers, check valves and flow regulators are all accessible from above the basin when the tap is demounted.

### Features

Sequential cartridge

Thermostatic function

Water & Energy savings

WRAS

Cool Body technology

Thermal disinfection

SmartShine
