FINISH OPTIONS

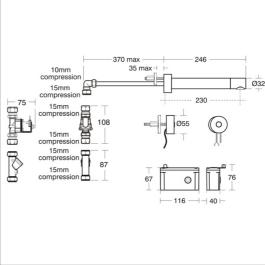

(AA) Chrome (GN) Ultra Steel

Special Notes

Designed to be supplied with pre-mixed water.

Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device, please see A5900AA (for use with 15mm pipework) or A5901AA (for use with 22mm pipework). The proximity sensor should be positioned to work in the normal handwashing position. Must link to mains version A4183AA, alternatively a stand alone battery powered unit is available. Flow rate regulated at 3.7 Litres per minute at 1 bar.
