QUBE

QUBE THERMOSTATIC INLINE VERTICAL SHOWER POLE WITH INTEGRAL DIVERTER TO HANDSET CHROME

Product Specification

Product Code:	QU VSHXSPDIV C
Finish:	Chrome
Product Type:	Contemporary
Construction:	Bodies are of all brass construction.
Valve Type:	¾", ¼ turn inline ceramic disc valve
Cartridge Type:	Thermostatic cartridge
Supply:	Suitable for all plumbing systems, preferably balanced
Inlet Connections:	15mm push-fit integrated into backplate
Outlet Connection:	½" BSP
Water Pressure:	Min 1.0 bar, Max. 5.0bar
Dimensions for Fitting:	45mm inlet centres

Additional Information

- Thermostatic cartridge maintains showering temperature to +/- 1°C by compensating for changes in the incoming water temperature and pressure giving the stable outlet temperature.
- Automatic shut off in the event of hot or cold water supply failure, thus reducing the risk of scalding.
- Factory set to a maximum of 38°C to eliminate the ability to select an unsafe temperature - this can be manually over-ridden up to a maximum 46°C to suit user preference.
- Dual control – flow and temperature are controlled by separate handles, giving accurate control of both
- Chrome plated to BS EN 248
- Swivel overhead shower rose and handset with single function rub clean nozzles
- Supplied with 1.5m shower hose
- With self cancelling diverter: pull diverter out to switch from handshower to overhead shower. Reverts back automatically when shower valve is turned off.

Technical Advice: For further information please call 0844 7016273 or email customer@bristan.com.
Guarantee: 5 years covering manufacturing faults.

Compliance/Approvals

Flow Rates (litres per minute)

System Pressure	1bar	2bar	3bar	4bar	5bar
Shower Rose	8.2	11.7	14.3	16.7	18.6
Handset	10.2	15.2	19.1	22.2	25.2
