

# CORAM

SHOWERS

STYLE WITH  
STANDARDS

# Redefining bathroom design

Stylish, reliable and seamlessly engineered: a great bathroom should be all three. That's why we bring our creativity and specialist insight to every project, transforming each room with shower enclosures that really make sense of the space — and make a statement, too.

Whether it's a simple upgrade or a floor-to-ceiling makeover — whatever the size, scale and budget — it's all about working with each bathroom's natural assets to create a space that's as functional as it is inviting.

#StyleWithStandards

Optima 6 Pivot Door in Brushed Black

# Enclosure style designed with standards

## Trend intelligence

With our European-based design hub, we're able to draw on a broad range of influences from across the continent and stay ahead of trends. We invest in our own in-house teams developing and designing in line with our customer requirements.

## NEW COLOURS AVAILABLE

Optima 6 and Bath Screen collections now feature sleek Black and Gold finishes - bringing a stylish, personalised touch to your bathroom.

## Nationwide network

Our enclosures, bath screens, glass panels and accessories are widely available across the UK making it simple to source spares and replacements.

## Ten-year guarantee

Every Coram Showers product is guaranteed for a decade\*.

## Customer service and technical support

Our customer support team is made up of a dedicated group of experts, and they're always on hand to help. There's plenty of information online too, including hints, tips and product guides.

For support or advice, call us on: **01460 256 080**

## Committed to progress

We're always working to improve our service and products - aesthetically, technically and environmentally too - to ensure we're offering you the best.

\*10 year guarantee for Coram Showers enclosures, trays, shower panels and bath screens. From the date of installation we will provide a 10 year guarantee in respect of our Coram Showers portfolio which includes enclosures, trays, shower panels and bath screens against manufacturing defects and faulty materials provided that the Coram Showers products are installed, used and maintained in accordance with the manufacturer's instructions, including care and cleaning advice. Full details of our products guarantee can be found online [www.coram.co.uk/terms-conditions](http://www.coram.co.uk/terms-conditions)

For full terms and conditions, please visit [www.coram.co.uk](http://www.coram.co.uk)

# Showering products for every space

Refined styling, practical features and intelligent design: we consider our fittings and fixtures from every angle. That's why all our products are quick to fit, easy to clean and a pleasure to use.

Premier 8 Sliding Door with Side Panels

All of our products are available on Compusoft's EQ system for easy quotation calculations.

## Ten-year guarantee

Our enclosures are guaranteed for a decade, for your peace of mind.

## Stay-clean glass

Our enclosures are fitted with our stay-clean glass as standard, reducing cleaning time by up to 70%.

## Finishing touches

From designer hinges and fittings to quality aluminium shower profiles, we fine-tune every detail.

## A better all-round service for installers

## Speedy delivery

We offer next-day delivery on most of our product range. \*Please see terms and conditions for further information.

## Simple to fit

With an easy rail-fixing system, and installer-friendly features across the board, our enclosures are refreshingly easy to fit.

## Smart screens

Our unique levelling system technology and concealed fixings mean our bath screens are quick to fit, with no visible screws.

## Reinforced packaging

There's no need to worry about breakages en route: we use specialist packaging to protect your delivery.

## Need a little help?

# GLASS SHOWER PANELS

Tailor your shower enclosure to suit your space with the innovative Premier 8 and Column shower panels. Their clean lines and smart technology open up your bathroom for an airy, spacious feel.

## Specification

- 2000mm high
- 8mm toughened safety glass EN 12150 Standard
- 20mm adjustment per profile
- Stay Clean Glass as standard
- Universal Fixing Bracket with optional T-Bar
- Can either be fitted with a shower tray or wetroom floor
- Guaranteed for a decade
- CE tested and complies to BS EN 14428

Premier 8 Glass Screens with Universal Bracing Bar and T-Bar.  
Additional T-Bar, Product Code: SPTB

## Light, bright shower spaces

Toughened safety glass creates a modern and spacious bathroom with the Premier 8 and Column Glass Screens. With 20mm adjustment to allow for uneven surfaces, these glass screens make creating a minimalist walk-in shower space effortless.

## A closer look at our Shower Panels

### 8mm Stay-clean glass

Our easy-to-maintain toughened safety glass is made to be BS EN 12150 standards, and is fitted as standard.

### Universal fixing bracket

Features the flexibility to be fixed straight or at an angle that works for your bathroom. Optional T-Bar available.

### 20mm adjustment

For an even finish, even on out of true walls.

### Seamless finishes

Our screens can be silicone-sealed directly onto a shower tray or tiled floor. However, the Premier 8 screen is provided with a Polished chrome trim as standard. Other accessories are available to purchase separately.

### Easy fitting options

Premier 8 and Column glass screens can be fitted on a wetroom floor or a tray.

## Premier 8

Always seen as an impressive feature, this design draws the eye to boast an expansive room whilst also fashioning the spacious shower enclosure itself. Standing at 2000mm high, this semi-frameless design comes in a variety of widths and configurations.

Bottom chrome trim provided as standard.

# BATH SCREENS AND PANELS

Need a quick update for a traditional bath and shower arrangement? Add one of our easy-fit Bath Screens. With watertight technology and elegant styling, they each feature a unique levelling system and hidden screws for a neat finish.

## Bath Screens Specification

- 1400mm high
- Unique levelling system
- Toughened safety glass to EN 12150 as standard
- Highly Polished chrome finish
- Choices of Chrome, Black or Brushed Gold
- Corrosion-resistant aluminium frames
- High quality pencil Polished edges for an ultra smooth and rounded finish
- Removable seals for easy cleaning
- Additional fixed panel available on various bath screens for extra splash protection
- CE tested and complies to BS EN 14428
- Guaranteed for a decade

With our Bath Screens, baths need to have a flat rim and should be installed with the top edge horizontal.

Curved Bath Screen

Curved

Colours available

# BOSTON COMFORT AND SAFETY BATHROOM ACCESSORIES

Designed to update and enhance bathrooms for independent living, our stylish Boston Comfort and Safety range is focused on providing assistance and support. A beautiful range to make the shower space a safer place.

## 1 Safety Bar / Toilet Roll Holder

- Highly robust Grips and Safety Bars with a bearing capacity of up to 150kg
- 2 in 1 Toilet Roll Holder, a stylish design that doubles as a sturdy wall grip to help you get up more easily

## 2 Safety Bar – straight

- Choice of 3 sizes
- Wall mounted
- Easy reach and easy grip

## 3 Folding Seat

- Load bearing 120kg
- Shower in comfort
- Slim and stylish low profile both when in use and when stored
- Neatly folds away
- Textured non slip finish for extra security

## 4 Safety Shower Bar

- Shower Rail that works as a sturdy wall grip
- Shower Safety Bar is available with left, right and angled options

## 5 Accessories

- Anti-Slip Grip
- Universal Organiser – easily clips to any horizontal or vertical safety bar. Easily repositioned

### Additional benefits

- Towel Rails that can be turned into sturdy safety bar grips
- Shower Rails that also work as a solid wall grip if needed
- A choice of attractive Brushed or Polished stainless steel finishes

## Add grip where you need it

To equip you with extra support and comfort wherever you need it, our safety bars are customisable with a range of add-on accessory options.

- Our innovative anti-slip grip provides an extra level of security in the bathroom.
- Additional Grips can be added to all safety bars.
- Our Safety Bars offer a reassuring level of grip in wet environments, with a warmer feel than metal grab bars.

spareparts@coram.co.uk

Guaranteed performance

We guarantee our enclosures against faulty materials or manufacture for ten years¹.

Stay-clean glass

The glass in our Shower Enclosures is designed to need 50-70% less cleaning than other showers, on average. That's thanks to our microscopically thin coating that won't peel or flake, and works to prevent the build-up of limescale and grime.

All of our products are available on Compusoft's EQ system for easy quotation calculations.

Maintaining your enclosure

- Position the shower control and spray head so that the shower does not spray directly onto the door.
- The spray head should be installed next to the door rather than opposite. This will make the shower easier to access and keep your enclosure watertight.
- When the shower door opens, water may drip on the floor. Make sure the floor outside the enclosure won't be affected by water.
- With our bath screens, baths need to have a flat rim and should be installed with the top edge horizontal. Any water that collects around the taps should then drain into the bath.
