

TOWELRADS

VETRO STONE ELECTRIC

Radiators rarely come as attractive as the stone effect finishes available with the Vetro Stone. In slate grey or travertine, they create the 'wow' factor in any room in which they are placed. Combining the functionality of an electric Glass Radiator with the stunning aesthetic of a stone veneer finish, they can be hung vertically and horizontally to suit.

Low energy consumption.

Shatterproof – 10mm laminated toughened safety glass (UN12600-IBI).

Horizontal or vertical mounting.
