

Features:

- Glamorous in the detail, this shower pack contains a Trinity shower valve with integral two outlet diverter. It has a 200mm traditional round fixed head with shower arm; a traditional adjustable riser shower kit with a single function handset and hose.
- Easy installation with an adjustable faceplate that fits total wall depths from 50mm to 75mm for a perfect flush finish
- Dual control - flow and temperature are controlled separately
- Fully serviceable from the front
- 15mm inlet connections
- Chrome plated to BS EN 248
- Wall outlet designed with Bristan's Wall Mount Technology for easier installation
