FEATURES

Simplicity Water Saving Steel bath 170cm x 70cm 2 Tapholes With Handgrips & Anti-slip* (130 Litres)

*Anti-slip reduces the likelihood of slipping but it does not prevent all slipping. Care to be taken when cleaning as aggressive products may reduce the effectiveness of the slip resistant area. Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device, see A5901AA or Part G for guidance.
