

AQUASTONE GRANITE SINGLE LEVER TAP GREY

TAQSTONESLGR/

The minimalist AquaStone Granite Tap features a slim and elegant design, made from durable granite with a stylish finish. The easy to use single lever includes a cold start valve , which is specifically designed to avoid the unnecessary use of hot water, helping you save on energy. Each side lever tap uses the latest 'Cold Start' technology; a new generation of energy saving.

- Tall modern design
- Neoperl Aerator integrated into spout
- Money saving Cold Start valve
- Single Flow
- Easy Fit Fixing Kit
- Flexi Tails for installation ease
- WRAS approved
