BACK TO BLACK

MERLYN Black has firmly established itself as a real alternative to Chrome. A favourite among Interior Designers and customers seeking a modern look. Transform your bathroom space and make it the statement piece you desire.

With its anodised matte black finish, the MERLYN Black range is the best on the market and the envy of all who try to compete. With the option of Frameless, Framed and Squared Showerwalls, Sliding Doors and Hinge & Inline enclosures as well as 3 different styles of Bath Screen, this range offers you a fashionable solution for a variety of situations.

The MERLYN Lifetime Guarantee and Mershield Stayclear protective glass coating comes as standard with this 8mm range. Quality, peace of mind and a touch of class all in one choice.

Another reason to always make it a MERLYN.

I have said that black has it all. White too.
Their beauty is absolute.

It is the perfect harmony.

- Coco Chanel

Paying homage to the celebrated designer Coco Chanel, her statement is as true in interiors as it is in fashion. The stylish simplicity of the black and white pairing works like no other colour combo. At MERLYN we love the contrasts of light and dark and the clever use of accessories to create a bathroom which beautifully fuses aesthetics and functionality. The bathroom is a sanctuary, together we can make it sublime.

Contrast colours and textures for a cohesive look. Invest in quality products with classic styles to deliver a finish which stands the test of time.
