NYMAS GROUP

Where inclusivity meets exclusivity

NYMAS GROUP

Effortlessly inclusive spaces

NYMAS Group is a specialist provider of design-led washroom accessories, sanitary ware and Doc M packs that enhance experiences and provide dignified, inclusive spaces for all.

With over 20 years in the assistive mobility and safety equipment market and 50 years experience in manufacturing, we are the preferred supplier of accessible washroom equipment to countless local authorities, a nationwide network of builders and plumbers merchants, and many OEM customers.

Our distinctive brand ecosystem - Fitzroy of London, NYMASTYLE, NYMACARE, and NYMAPRO – delivers on safety, dignity, and aesthetics in any accessible washrooms space. This includes everything from occupational therapist specified installations in domestic settings, to avant-garde bathroom designs in deluxe hospitality venues specified by leading interior designers.

We pride ourselves in the world leading service we offer for our customers and clients, starting with the compliance and product selection advice of our sales team; and complimented by our high stock availability, rapid delivery options and the personal service of our friendly and helpful customer service team. This is all underpinned by the values that we own across the company:

- Customer First
- Passion
- Integrity
- Continuous improvement
- Team spirit
- Respect
- Care

Made in the UK

At NYMAS Group, we're championing UK manufacturing by investing in facilities that enable us to manufacture our product in house. Our Fitzroy of London collections are already exclusively manufactured in the UK, using highly skilled operatives to create beautiful, compliant products from the finest, sustainably sourced materials. Manufacturing in Britain means we can offer bespoke solutions for specific client needs as well allowing us to maintain close control over our supply chain and the quality and finish of our products.

Quality as Standard

We understand that quality matters - not just in relation to our products, but also in relation to our service. This is shown in our ISO9001:2015 certified quality management system, which puts quality at the heart of everything we do. Our commitment to rigorous design and manufacturing standards is further demonstrated in the warranty that is offered across the product range (subject to terms and conditions), denoted by an icon with a number to show the length of warranty.

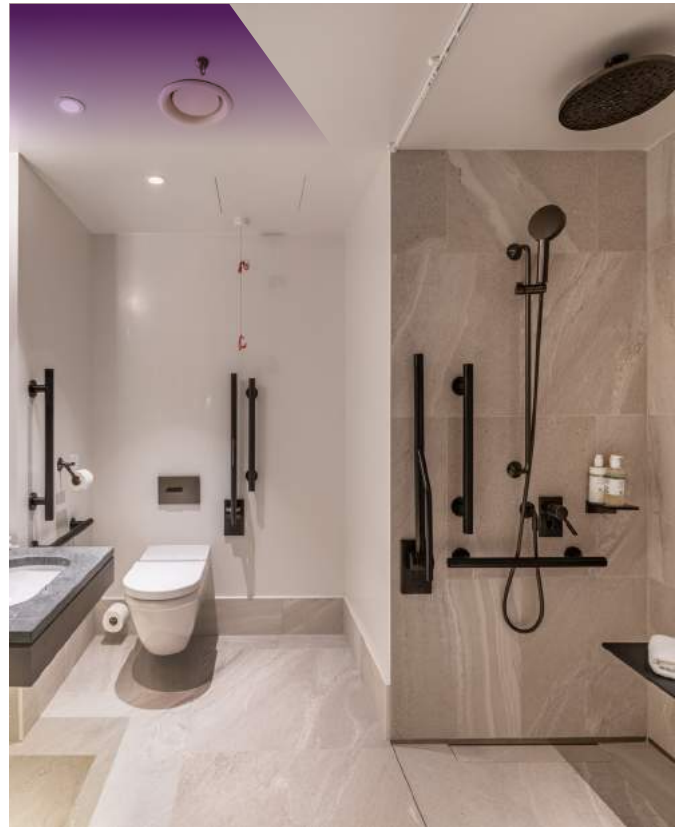

Sustainability and Social Responsibility

We take our social responsibility very seriously and strive to develop an inclusive, people-centric business culture and sustainable business processes that are beneficial to the community and environment around us both now and into the future. This is not only reflected in our recognition as a Living Wage employer and the significant charitable donations made; but is also shown in our approach to human rights, equal opportunities and environmental responsibility both in our activity and throughout our supply chain.

NYMAS GROUP

Brand ecosystem

NYMAS Group is represented by an ecosystem of four distinctive brands, delivering accessibility across a broad spectrum of need.

FITZROY OF LONDON

Deluxe, inclusive solutions

NYMA STYLE

Accessibility with flair

NYMA CARE

Hygienic, durable design

NYMA PRO

Simple, functional accessibility
