

CRUCIFORM TAP BRUSHED

TSA5BF/

Featuring a cross shaped tap body, the Cruciform kitchen tap features a soft design which suits modern or tradiitonal styled kitchens. The Cruciform Spa filter kitchen tap delivers clean, crystal clear, still water on demand with the push of a handle. Featuring a high quality carbon filter designed to purify up to 2,500 litres of water, which lasts 6 months on average in standard domestic households, the carbon filter removes any impurities which can impair the taste of still water, providing a pure, refreshing taste every time.

- Filter tap delivering purified, crystal clear water on demand with the push of a handle
- Carbon filter delivers 2,500 litres of purified water which lasts on average 6 months in domestic households
- Suitable for all pressure water systems
- Featuring an anti-splash spout with honeycomb aerator design which mixes air with water to emit a water flow with no splash
