RANGEmaster
sinks & taps

Choose the Aquaflow single lever kitchen tap for effortless control. Featuring a flow straightener designed to increase water flow this tap is ideal for households with low water pressure. Aquaflow also benefits from a ceramic disc cartridge which mixes hot and cold water supplies to provide a precise flow of water at a desired temperature output, whilst always ensuring a water-tight seal is maintained when the tap is not in use.

- Single lever handle design
- Suitable for all pressure water systems
