

CONICAL SINGLE LEVER TAP BRUSHED BRASS

TCOSL1BB/

A uniquely shaped body paired with square spout design which creates an ultimate modern design piece.

Conical is available in single lever and dual lever handle styles.

- Single lever handle design
- Suitable for medium pressure water systems emitting a minimum pressure of 0.5 bar or above
- Featuring an anti-splash spout with honeycomb aerator design which mixes air with water to emit a water flow with no splash
