2 Years Guarantee

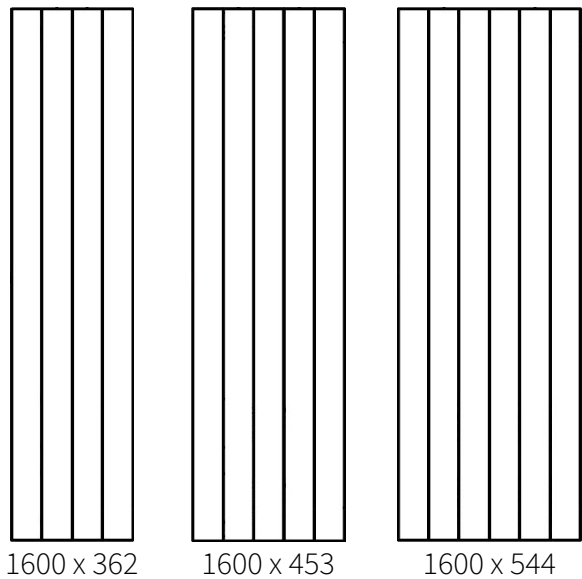

Material: Aluminium

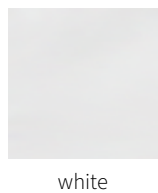

The Maia Vertical Radiator combines sleek, stylish design with advanced functionality, crafted from lightweight aluminum in a clean white finish. Featuring a low surface temperature (40-55°C), high heat boost (70-80°C), LCD display, child lock, and open window detection, it prioritizes safety and comfort. With Wi-Fi compatibility, Google Home, and Alexa voice control, it offers superb heat output and effortless control through a standard UK plug.
