

Vitreous china full pedestal for basin

Its elegant and refined style conveys the sense of serenity and peacefulness associated with the classic atmospheres of bygone times. Designed by Marcello Cutino, its proportions are solemn and its details are timeless. A sound and quality collection designed to stay alive through the passage of time.

Designed by
Marcello Cutino

BCF Design interprets forms whilst respecting function and emotive values. A way of understanding design that emphasises the timeless nature of the product above the ephemeral character of fashions. His partnership with Roca won Spain's National Design Award for 2002 for the Vythos bathtub.

Colours and finishes

How to obtain the reference number
Replace the “..” with the desired finish code from the list below

00 White
