

Basin mixer with pop-up waste, joystick operated

Application: Basin
 Finish: Chrome
 Flexible supply hoses included
 Flow rate (l/min - 3 bar): 6
 Installation type: Deck-mounted
 Pop-up waste
 Sustainable product

Created by the industrial designer Antonio Bullo, this innovative collection of bathroom fittings, organic shapes and simple geometric lines, has been inspired by nature. Water flows in cascades through open piping in a way reminiscent of fountains. This collection makes having a bath an experience that is surprisingly natural and technologically perfect.

Designed by
Antonio Bullo

He has won four gold medals at the Faenza International Ceramic Competition and two Design Plus awards at ISH Frankfurt. For Bullo, the product must be an extension of the company's soul and consistent with the markets in which it is competing.
