Pop-up waste

A proposal inspired by the efficiency and practicality of experienced design. This series is the revitalisation of conventional shapes turned into modern, urban, elegant and serious solutions for a space with maximum comfort and one that complies with the precept of responsible use of the plant's natural resources.

Designed by
Toni Clariana

MAGMA is an interdisciplinary Barcelona-based practice with a team that includes industrial and graphic designers, project engineers, marketing consultants, advertising and creative professionals, all working together to manage global projects noteworthy for their creative focus.
