WHAT'S NEW...

The White Space Perfect as a bath on its own or with a shower screen. The J Bath is aesthetically pleasing and practical. The rounded corner allows for more room in bathroom where space is limited.

Origins Utopia have introduced Core, a new door style added to their Origins fitted range. Core is a pressed luxurious door finish available only in White.

The consumer now has the choice of two white slab door finishes;

- **Source** - A laminate door at an entry level price
- **Core** - The new and more luxurious pressed door at a slightly higher price.

Both offer great value for money and Utopia quality along with simplicity of planning that makes fitted furniture a dream to specify.

Origins Eden Shaker Style door is now available in a White Gloss finish to accompany the Cashmere Gloss option.

Origins New Modular two drawer washbasin unit is available in 500mm and 600mm widths in White Gloss, Grey Gloss and Drift.

WHAT'S NEW...

Close up texture of the Knurl handle

The White Space Introduces Knurl, a stunning new range of brassware. Displaying a striking handle texture adding a luxury finishing touch to your customer's bathroom.

Sensio Hanging pretty is the new Nova illuminated mirror. The decorative, black leather effect hanging strap is a standout feature of this LED mirror.

Aqualisa New Dream™ showers. Choose from a relaxing soak in the bath or a refreshing spray sensation. One valve with endless options!

Kaldewei Coordinated Colours Collection is a new range of matt coloured sanitaryware to complement current trends in tiling. See page 346 of the July Price Book to see the full range.

Britton Create a statement in your showroom with the Shoreditch Frame washstand, choose from contemporary Matt Black, Polished Steel or Gold finish.

Britton Keep a look out for the new Dalston furniture unit coming soon! Available in 50 & 60cm options and a wide choice of colours; Pink, Grey, White, Shoreditch Blue & Oak.

SMART WASTE
HOW DOES IT WORK?

Designed with self-opening technology that allows the waste to also act as an overflow

- When the water level reaches 36cm the waste will fully open and will drain 27 litres per minute, removing the risk of flooding even if the taps have been left on.
- The waste will automatically close when water level drops below 25cm
- Smartwaste is suitable for all Clearstone baths (except Balthazar which

Clearwater Have you seen The Smart Waste from Clearwater? Specifically designed for the bath with self-opening technology that allows the waste to act as an overflow reducing the risk of flooding.
